

2026 Fantasy NASCAR Rules

The URL for our 2026 WEBSITE is kobnascar.com

From the list of groups and drivers provided, choose a team of 5 drivers. Choose one driver from each group. Entry fee is \$25.00 per team. Points for all drivers are added together for total team score. Points are awarded according to the official NASCAR Cup Series Standings. The only time this may vary is if NASCAR does not include stage points on the last race for those drivers competing for the championship. Whether NASCAR includes stage points or not, we WILL include stage points for all drivers and all races.

You may change drivers throughout the season, but each change will result in a loss of 75 points. Also, when changing drivers, you keep the points from the original driver up until the change. You start earning your new driver's points from then on (with the 75-point penalty).

To change a driver, please use the "Contact Us" tab on our website (kobnascar.com). This is our preferred way to be contacted. If you cannot contact us through the website, you can email us at kobrien@arvig.net but again, the website is preferred. All driver changes must be made prior to the start of the race, or your change will not become effective until the following race.

Once the season begins, we will post the stats on our website (kobnascar.com). The first week stats may not be posted right away as it takes time to enter the teams. However, after that first week, you should be able to view race stats by or before the Wednesday after each race. Please check the website (kobnascar.com) under "Important Notes" if the stats are not posted by then. We try to post any communication under "Important Notes" as needed. Weekly stats can be viewed on the Home tab on our website or you can also view stats on a per race basis (see Schedule & Stats tab).

You can send your team(s) and check to: Kevin O'Brien, 28667 425th St, Vergas, MN 56587

Please do not email us your team(s) as we need to receive your team(s) AND entry fee (\$25.00 per team) before you are considered entered.
